

THE TRUE DEMOCRAT.

JOHN G. COLLINS, Publisher.

PUBLISHED EVERY FRIDAY MORNING.

The Boy Who Is Liked.

The boy who's polite to his mother
And shows that he loves her the best,
Who offers her rocker and pillow
When tired and needing a rest,
Who proudly will carry her parcels
And seeks her when needing advice;
The boy who will do what she asks him
Without being asked by her twice,
The boy who shows love for his mother
And treats her the best that he can,
Is he who is loved and respected,
The boy who will make a good man.

In Praise of Chamberlain's Cough Remedy.

There is no other medicine manufactured that has received so much praise and so many expressions of gratitude as Chamberlain's Cough Remedy. It is effective, and prompt relief follows its use. Grateful parents everywhere do not hesitate to testify to its merits for the benefit of others. It is a certain cure for croup and will prevent the attack if given at the first appearance of the disease. It is especially adapted to children, as it is pleasant to take and contains nothing injurious. Mr. E. A. Humphreys, a well known resident and clerk in the store of Mr. E. Lock, of Alice, Cape Colony, South Africa, says: "I have used Chamberlain's Cough Remedy to ward off croup and colds in my family. I found it to be very satisfactory and it gives me pleasure to recommend it." For sale by all druggists.

La Grippe and Pneumonia.

Pneumonia often follows la grippe, but never follows the use of Foley's Honey and Tar. It cures la grippe, coughs, and prevents pneumonia and consumption. Ask for Foley's Honey and Tar and refuse any substitute offered. Mr. G. Vacher, of 157 Osgood street, Chicago, writes: "My wife had a severe case of la grippe three years ago, and it left her with a terrible cough. She tried a bottle of Foley's Honey and Tar and it gave immediate relief. A 50-cent bottle cured her cough entirely." Refuse substitutes. Sold by all dealers.

The Mantelpiece Bottle Experiment.

You find yourself on a picnic perhaps without a corkscrew and with a lot of bottles, all of them with corks in them. Hardly anybody knows what to do. The solution of the difficulty is, however, it seems, perfectly simple: "Place the bottle, cork downward, upon the edge of an ordinary mantelpiece, steadying it, of course, with the hand. Then with a slight impulse turn it so that it falls upon the ground on its base. Pick it up, and you will find that the cork has started. It is sometimes necessary to repeat the operation before the cork can be withdrawn with the fingers. A first experiment with a full bottle of water tightly corked is advisable. A fall direct from the height will have no desirable result."

The present writer can testify to the efficacy of this "minor art." He had, it is true, to arrange his picnic in an ordinary room so as to have the mantelpiece handy. But there was no difficulty after turning the bottle on its base, "with a slight impulse," in extracting the cork from the ruins. There was no need to repeat the operation.—London Spectator.

Failed.

All efforts have failed to find a better remedy for coughs, colds and lung troubles than Foley's Honey and Tar. It stops the cough, heals the lungs and prevents serious results from a cold. J. N. Patterson, Nashua, Iowa, writes: "Last winter I had a bad cold on my lungs and tried at least half a dozen advertised cough medicines and had treatment from two physicians without getting any benefit. A friend recommended Foley's Honey and Tar and two-thirds of a bottle cured me. I consider it the greatest cough and lung medicine in the world." Sold by all dealers.

Duval County's Superintendent.

H. H. Palmer assumed the duties of the office of county superintendent of public instruction of Duval county last Friday, he having been appointed by Governor Broward, his bond having been duly approved and his commission having been received.

Mr. Palmer's first official act was to notify all teachers, janitors of buildings, and drivers of school wagons that the warrants for their November salaries were ready for delivery. Quite a number of teachers called at the office of the superintendent, in the Law Exchange building, yesterday and received their warrants, and it is expected that all who did not call yesterday will do so today.

Mr. Palmer made the following statement yesterday in regard to his intentions upon assuming the duties of the office to which he was appointed by Governor Broward:

"I assume the office of superintendent, fully resolved to do my best to improve the condition of the schools of Duval county, so that they can be pointed to with pride by people all over the State. It will take me a little time to thoroughly familiarize myself with the necessary needs, but I shall industriously keep at it. I trust the public will believe this, and with their good wishes and co-operation I feel sure that they will find me a faithful servant."

So few officers nowadays consider themselves "faithful servants of the people" that it is gratifying and refreshing that Duval county's new superintendent starts out as he promises to do in his statement. May he have the co-operation of his people and may he succeed.

Doctors Could Not Help Her.

"I had kidney trouble for years," writes Mrs. Raymond Conner, of Shelton, Wash., "and the doctors could not help me. I tried Foley's Kidney Cure, and the very first dose gave me relief and I am now cured. I cannot say too much for Foley's Kidney Cure. It makes the diseased kidneys sound so they will eliminate the poisons from the blood. Unless they do this, good health is impossible. Sold by all dealers."

Last week Dr. Wm. J. Gunn brought us some fine samples of sweet potatoes; but on Tuesday evening he brought to this office some very fine samples of his second crop of Irish potatoes, which were raised in his garden from culls of the first crop, which were fine and which we believe would find ready sale on any market. Dr. Gunn always has a good garden, and is an enthusiast on what can be done gardening and trucking in Leon county.

"CUT IT OUT"

says the doctor to many of his lady patients, because he doesn't know of any medicinal treatment that will positively cure womb or ovarian troubles, except the surgeon's knife.

That such a medicine exists, however, has been proved by the wonderful cures performed on diseased women, in thousands of cases, by

WINE OF CARDUI Woman's Relief

It has saved the lives of thousands of weak, sick women, and has rescued thousands of others from a melancholy lifetime of chronic invalidism. It will cure you, if you will only give it a chance. Sold at every drug store in \$1.00 bottles. Try it.

GAVE UP SUPPORTER

"I wore a supporter for years, for my womb, which had crowded everything down before it, writes Mrs. S. J. Chrisman, of Mannsville, N. Y. "I suffered untold misery and could hardly walk. After taking Cardui I gave up my supporter and can now be on my feet half a day at a time."
